March 2015

Note From the Executive Director, Shelby Anderson

Every year on March 17, the Irish and the Irish-at-heart across the globe observe St. Patrick's Day. What began as a religious feast day for the patron saint of Ireland has become an international festival celebrating Irish culture with parades, dancing, special foods and a whole lot of green.

Some food for thought about St. Patrick's Day:

Corned beef and cabbage is a traditional St. Patrick's Day dish. In 2009, roughly 26.1 billion pounds of beef and 2.3 billion pounds of cabbage were produced in the United States.

The first St. Patrick's Day parade took place in the United States on March 17, 1762, when Irish soldiers serving in the English military marched through New York City.

More than 100 St. Patrick's Day parades are held across the United States. New York City and Boston are home to the largest celebrations.

There are 34.7 million U.S. residents with Irish ancestry. This number is more than seven times the population of Ireland itself.

Irish is the nation's second most frequently reported ancestry, ranking behind German.

Across the country, 11 percent of residents lay claim to Irish ancestry. That number more than doubles to 23 percent in the state of Massachusetts.

So from this Irish girl to you on St. Patrick's Day, an Irish blessing:

May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rains fall soft upon your fields and,
Until we meet again,
May God hold you in the palm of His hand.

Potato Chip Month Happy Hour

Please come Friday, March 13, at 3 p.m. to the Gathering Place. Help us celebrate this yummy day. We will have many types of chips and dip! Smooth music by P&B Classic Jazz.
